**ONLY FILM LETS YOU SHOOT ANYWHERE.**

Film cameras are increasingly more portable. And are better than electronic capture devices at withstanding variations in temperature and humidity. Plus, only film gives you the visual information needed to explore all your options in post. KODAK Motion Picture Film.

The freedom to go wherever your story takes you. [www.kodak.com/go/kcimotion](http://www.kodak.com/go/kcimotion)
