ARTISTS' FILM & VIDEO

ON APRIL 1, 1995, OAC'S SEPARATE FILM AND VIDEO PROGRAMS WILL EVOLVE INTO ONE — ARTISTS' FILM AND VIDEO.

- Maintaining our commitment to providing production grants to film and video artists.
- A broad forum that considers all forms of artistic expression: Animation, Documentary, Drama, Experimental and Installation.
- Aimed at film and/or video artists who have completed at least one independent self-assigned film or video.
- Three application deadlines per year: April 1, August 1, December 1.

Note: The April 1, 1995 deadline for Artists' Film and Video replaces the February 1 deadline for Video Production.

New application forms
available in January 1995.
