

## On the rise.

If the amount of film and video production in Saskatchewan keeps going up the way it is, we might be too darn big to talk to you.

So chat us up  
November 27-30  
in Saskatoon  
while we're still  
relatively humble.

media and visual arts

Media and Visual Arts supports research and production in television, video and multimedia. We provide professional development opportunities for:

television and film producers/writers/directors, new media and web site creators, media technicians, critics, writers and software programmers.

Media and Visual Arts programs include creative residencies, workshops, work study opportunities, productions, co-productions, exhibitions and special projects.
