

# Kathleen Shannon

1935-1998

*The spirit of a visionary filmmaker*

The feminist thinker who founded **Studio D**, Kathleen Shannon had a career that spanned 22 years. She worked on more than 200 films as a sound editor, picture editor, producer and director.

Kathleen was Executive Producer on two Oscar-winning films – *I'll Find A Way* and *If You Love This Planet* – and many other important films, including *Not A Love Story: A Film About Pornography* and *To A Safer Place*.

*She gave so much  
Of courage, strength, insight  
Her gifts live on in film  
In feminism, in other dreams,  
In those who learned to Dare*

# ***Ontario really works for film and television production***

## ***Anchoring domestic production***

- film & television tax credits
- digital animation & digital visual effects tax credit
