

# DON'T SHOOT!

(Until you see the dots on the i's)

Before you begin any film or television project, you need complete insurance protection in place to safeguard your investment and your peace of mind.

At Aon/Ruben-Winkler, our entertainment insurance specialists are available around the world to help you arrange solid, cost-effective insurance coverage before you shoot.

When you start planning your project, please give us a call. We'll make sure your i's are dotted, and we'll cross the t's while we're at it...
