 Co-produced by Hong Ying Animation (China)

Either way, film is the most flexible medium there is, from capture to post and beyond. Authentic dynamic motion, more raw information, and a natural depth of field leave the power where it belongs...in your hands. So your creativity is never compromised. And your vision remains intact. Whether you control it, or it controls you.

SOMETIMES YOU ARE THE SLAVE

# CON

SOMETIMES YOU ARE THE MASTER OF YOUR VISION

# TROL

Choose your origination medium wisely.
