ESSENTIAL GUIDE TO
CANADIAN FILM

EDITED BY
WYNDHAM WISE

The most exhaustive and up-to-date reference book on Canadian film and filmmakers, combining over 700 reviews and biographical listings with a detailed chronology of major events in Canadian film and television history.

Either way, film is the most flexible medium there is, from capture to post and beyond. Authentic dynamic motion, more raw information, and a natural depth of field leave the power where it belongs...in your hands. So your creativity is never compromised. And your vision remains intact. Whether you control it, or it controls you.
