# TAKE ONE

FILM & TELEVISION IN CANADA

*Take One is Awesome!*

Ron Mann, director/producer  
*Comic Book Confidential, Twist, Grass.*

*Take One is the magazine  
you read to find out what  
your colleagues are up to.*

John Walker,  
director/cinematographer  
*Strand: Under the Dark Cloth,  
A Winter Tan*

*Smart writing about  
talented filmmakers,  
what else do you need?*

Patricia Rozema,  
director/writer  
*I've Heard the  
Mermaids Singing,  
Mansfield Park*

*Take One has  
become, without  
question, the  
single most  
important print resource for  
Canadian film culture. Its several  
thematic issues have been  
thoughtful, even provocative, and have helped focus  
debate and offered new information to those in the field.  
The standards demanded of its writers is consistently high.*

Peter Morris, author *The Film Companion, Embattled Shadows:  
The History of Canadian Cinema 1895-1939*

*Every country needs a national film  
journal. Luckily we have Take One,  
my monthly connection to real  
Canadian thinking about our  
movies. Indispensable.*

Gene Walz, author *Cartoon Charlie*

*Take One has created a strong  
voice for Canadian independent  
cinema, unabashedly celebrating  
our achievements and providing  
thoughtful commentary on the  
films and the filmmakers.*

Alex Raffé, producer *I Love a  
Man in Uniform, I've Heard the  
Mermaids Singing, Zero Patience*

*One of the most essential  
journals about film and  
television in Canada*

Gerald Pratley, founder of the  
Ontario Film Institute

*Why not convince your  
relatives to subscribe like  
I have and then THEY  
can finally figure out  
what you do for  
a living, and YOU  
can finally figure out  
that FILM is a living that  
you can never figure out.*

Peter Wintonick, director/editor  
*Manufacturing Consent:  
Noam Chomsky and the Media,  
Cinéma Vérité: Defining the Moment*

*I appreciate the care and professional quality  
of Take One. It gives me a look at the whole  
range of Canadian film.*

Colin Low, director/producer/ animator *The Romance  
of Transportation in Canada, Corral, City of Gold,  
Moving Pictures.*

NOUVEAUX MÉDIAS  
MONTRÉAL 2001

" A criminally appealing,  
irresistible contemporary comedy.

the best mainstream Québécois and Canadian film  
of the year to date, and one of the most purely  
enjoyable movies from any country,  
anywhere in 2001. "

John Griffin, The Gazette

" The ebullient Canadian feature... "

Elvys Mitchell, New-York Times
